

Comedy with a Conscience... from viral sketch duo, We Are Thomasse!

"The married comedy duo of Nick Afka Thomas and Sarah Ann Masse combine his droll British wit and her joke-packed American energy in this clever, cross-cultural sketch show." —ELISE CZAJKOWSKI, THE NEW YORK TIMES

Meet [Nick Afka Thomas](#) and [Sarah Ann Masse](#), the hilarious British-American comedy duo known as [We Are Thomasse](#) (rhymes with "sassy"). Featured by the [New York Times](#), [The New York Post](#), [Buzzfeed](#), [The Guardian](#), [Funny or Die](#), [The Daily Dot](#), and [ELLE India](#), and playing to full houses in Los Angeles, New York, London, and Paris. We Are Thomasse is indeed *everywhere*. **They have over 10 million views on Facebook, Funny Or Die, and YouTube, and a Facebook reach of over 12 million.** often likened to classic comedy duos such as Nichols and May, or Burns and Allen, We Are Thomasse is the fast-paced, old-school comedy power-couple taking the LA and NYC comedy scenes by storm.

With hints of Monty Python's wackiness and Carol Burnett's wit, [We Are Thomasse](#) write and perform rapid fire, clever, twisted sketches covering everything from the history of [The Revolutionary War](#), and how to have [Polite Sex](#), to the many facets of feminism such as [Equal Pay](#) and [victim blaming](#). Originally from London ([Nick Afka Thomas](#)) and New York ([Sarah Ann Masse](#)), they combine a throwback style with a modern mindset, making We Are Thomasse like nothing else in the comedy world.

"I'm not very keen on sketch comedy at the best of times... [but, with We Are Thomasse's sketches] not one went wrong... every single one was spot-on... every one was superb. That's probably about as much in one show as there was at the whole of the [Edinburgh] Fringe last year!" —JOHN FLEMING and KATE COPSTICK, THE GROUCHY PODCAST
